1	Dr Anand C. Burman Chairman, Non-Executive Director	Dr Anand C. Burman is the Chairman Emeritus of Dabur India Ltd, one of India's leading consumer goods companies with presence in over 100 countries across the globe. Dr Burman is a trained pharmacist and is widely recognized for his interests in Research & Development that has helped him earn over 40 patents against his name. He stepped down as the Chairman of Dabur India Ltd in 2019. Dr Burman has interests in the areas of R&D in pharmaceutical sciences as well as biotechnology and technology issues. His education was both multidisciplinary and international. He completed his high school education from St. Paul's School in Darjeeling, India and followed it with a B.Sc. in Chemistry from the University of Wisconsin and M.Sc. in Chemistry from the University of Kansas. His Doctorate was in Pharmaceutical Chemistry from the University of Kansas in 1980. Dr Burman is a member of the fifth generation of Dabur group's founder family and took charge as Chairman in 2007 after holding the post of vice-chairman and having been being associated with the company in various other roles. His interests in R&D closely align with Dabur's focus on developing products that offer holistic wellness, and spearheaded Dabur's transformation from an Ayurvedic medicines maker to becoming India's 4th largest FMCG (Fast Moving Consumer Goods) player. He also serves as director on the boards of Puran Associates Private Limited, Milky Investment and Trading Company, Super Hoze Industries Private Limited, Dabur Research Foundation, Dabur (UK) Limited, H&B Stores Limited, among others. Dr Burman has vast experience in the field of FMCG (Fast Moving Consumer Goods), Batteries, Pharmaceuticals, Non-Banking Financial Companies (NBFC), Laboratories, Hoze Industries and he has played a very important role in these industries. He is a member of the Advisory Board of the Institute for Advancing Medical Innovation under the University of Kansas, USA. He is the recipient of numerous awards and honours, including the Ernst & Young Entrepreneur of The Year award in 2011. He is presently the Chairman of Eveready Industries India Limited.	1.
